

A Message from Superintendent Charlie Cardillo

The Board of Education will be conducting its annual budget work session on Saturday, March 8th beginning at 9 A.M. in the band room of the Secondary School. I encourage you to take an hour of your day to join us at 9:00 Saturday morning for an Executive Summary highlighting the key elements of the preliminary 14 -15 budget and the implications for the students in our schools. For those of you who want to hear a more in-depth review of the budget, we will be reconvening in the Board Room at 10:30 following the presentation of the Executive Summary. Members of the administrative team will provide the Board with pertinent budget information related to the areas they oversee.

As a school community, it is quite important that we come together for this hour on Saturday morning. I am confident that Saturday's opening presentation will be far more encouraging than last year. I look forward to seeing you in the band room at 9 A.M. Saturday morning.
