Welcome to **Middle School Concert Band**. Throughout the academic year, students will be involved in a wide range of differentiated activities that will conform to the NYS Learning Standards for the Arts and the National Standards for Arts Education. The instructional methods will be largely student-oriented, encouraging participation and higher-order thinking.

## GOALS

- Students will be able to develop skills which are essential to creating and performing effectively in the Arts.
- Students will be able to develop an understanding and an appreciation for the Arts and their influence on our culture.

- NOTE: The Anchor Standards (AS) are the same across all arts disciplines.
