

February 21, 2021

Dear Manhasset Families,

As indicated prior to the break, this email resumes our reporting of COVID-19 cases in the District's schools.

For the period Friday, 2/12/21 to Sunday, 2/21/21, there were 54 positive student cases reported with 1 positive staff case:

Secondary School – 50 positive student cases

Munsey Park – 4 positive student cases and 1 positive staff case. (The staff case is unrelated to the student cases and the student cases are unrelated to the Secondary School cases.)

Shelter Rock – 0 positive cases

All positive cases and contacts have been notified to isolate and/or quarantine.

Thank you again for your continued patience, understanding, and adherence to the protocols in place.

Sincerely,

Dr. Vincent Butera

Superintendent of Schools
