(3) by the parent of an 11th grade student at the Secondary School whose child tested positive for Covid-19. The child was last in school on Friday, December 18, 2020.

Please note that any individual who is deemed to be a close contact has been notified directly by the Nassau County Department of Health and/or District personnel - with further guidance.

Please be reminded that our protocols were designed to mitigate the risk of positive cases and our priority remains the health and safety of our students and staff. More specifically, the District requires that all students and faculty/staff maintain a social distance of 6 feet or more, maintain proper hand hygiene, complete the daily Cleared4Class health attestation, and wear the appropriate face mask. Furthermore, our staff will continue to conduct daily cleaning/sanitizing of our school building.

Thank you for your continued patience, understanding, and adherence to the protocols in place.

Sincerely,

Dr. Vincent Butera

Superintendent of Schools
