Dear Manhasset Families,

Please note the correction from yesterday's notice. The staff member who self-reported a positive case works at the Secondary School and not at Shelter Rock

I am pleased to share that there were no new positive cases to report today.

Your continued efforts in following the protocols by maintaining a social distance of 6 feet or more, adhering to proper hand hygiene, completing the daily Cleared4Class health attestation, and wearing the appropriate face mask are greatly appreciated.

Thank you for your continued patience and understanding.

Sincerely,

Dr. Vincent Butera

Superintendent of Schools
