

MANHASSET HIGH SCHOOL
HONORS OVERRIDE OPPORTUNITY
April 5, 2023 – May 5, 2023

Please be advised that any students currently in grades 8 - 11 electing to apply for an honors override will now have the opportunity to do so. The honors override form can be obtained as follows:

- 1. It is attached (electronically) to this message*
- 2. It is posted to the HS & MS pages of the District website*

In order to qualify for an override from a Regents to an honors level course, a student must possess a final grade of at least a “B” for the current course, in the academic area where the override is being submitted.

If you have any questions about your child’s academic standing in a course, or whether or not an override form should be submitted, please contact the department teacher or Coordinator for the particular subject area in question. Please also note that current recommendations for courses are available on the parent portal. Please remember that each student is allowed one override opportunity if they qualify and choose to use it.

We stress that no honors override forms will be accepted, under any circumstances, after 3:15 PM on Friday, May 5th.

Thank you,
