

**Manhasset Secondary School**  
*Excellence Through Effort*

**PASSPORT FOR GOOD®**

We have officially launched our new community service tracking application, “**Passport for Good,**” in March 2019.

**All high school students must use this application to track all of their community service volunteer hours.**

Students can access the Passport for Good app either on a computer or their Smartphones to set up and manage their accounts. **Detailed instructions for our students to use Passport For Good is posted on the community service webpage** (see link below.)

Manhasset High School students can participate in our community service programs which include:

1. Senior Graduation Requirement (required for all seniors during their senior year)
2. Presidential Volunteer Service Award (optional for students in grades 9-12)
3. Service and Citizenship Award (optional for students in grades 9-11)

**For more detailed information about these programs see our community service webpage**

**at: <https://www.manhassetsschools.org/Page/3968>**

We encourage participation in community service. The experience changes how students view themselves and others, fosters lifelong responsibility, and develops people skills and work experience for future careers. We encourage participation in community service.

**Passport for Good** is a simple software solution that supports our established volunteer and community service programs, offers long term personal tracking of volunteer hours, automates authentication of volunteer hours, and provides aggregated data about the impact that volunteering has on communities.

**If you have any questions, please contact Mara Steindam, District Coordinator, Social Studies at [Mara\\_Steindam@ManhassetSchools.org](mailto:Mara_Steindam@ManhassetSchools.org)**
