Accessing the Online Baseline ImPACT Screen

- The student-athlete can access the ImPACT Test procedure by logging onto the ImPACT Link: <http://www.impacttestonline.com/testing>
This is for your immediate and personal use only and should not be shared with others.
- You will be linked directly to the assessment website. Select New York, then click on the *Launch Baseline Test* button. Please only take the test once. There are a limited amount of tests that can be done through this site and we cannot afford to waste tests. Only current student-athletes attending Manhasset Middle or High School should be testing through this site.
- Input the customer ID Code: 15A9A4F97A
- Initially, you will be directed to a series of questions that you will need to answer before taking the baseline assessment. Please answer all questions as honestly as possible.
- Follow the instructions carefully. Missing key instructions or not giving the baseline assessment your full attention will affect your results.
- Put in your best effort. This is a difficult assessment. No one gets everything right, so don't get frustrated.
- If you become confused about the directions, keep trying to do your best.
- Contact Jim Amen, Athletic Director, 516-267-7550, if you do not want your son or daughter to participate in the ImPACT Screen; if the student-athlete has any problems and/or questions regarding the baseline assessment; or if you were unable to complete the baseline assessment.
