

FAMILY ID INFORMATION AND INSTRUCTIONS

The Manhasset Secondary School Athletic Department utilizes online athletic registration through Family ID (www.familyid.com). Online athletic registration for all athletic seasons opens up thirty (30) days prior to the first day of each season's start date and closes 4 days before the season's start date. ***Paper registration will no longer be accepted.***

Family ID is a secure registration platform that provides you with an easy, user friendly way to register for athletics, and helps us to be more administratively efficient and environmentally responsible. When you register through Family ID, the system keeps track of your information in your Family ID profile. You enter your information only once for each family member.

At the time of registration, you must provide a current physical. Please upload the physical form to your FamilyID account or mail, fax (516-267-7524) or bring a copy to the Health office. Physicals expire 12 months after the date of health exam. **No athlete will be permitted to play or try out with an expired physical.**

A parent /guardian can register their student-athlete(s) by clicking the Athletic Registration tab on the Manhasset athletic website. **The registration portal will open 30 days prior to the first day of each season's start date and close 4 days before the season's start date.**
