Dear Manhasset Community,

In partnership with the Board of Education, it is my goal to effectively communicate our efforts to promote the academic, social, and emotional development of our students, as well as the effective operation of the District.

I look forward to sharing timely and relevant information with our families and community members in various forms, including one-page information bulletins that address specific topics of importance for our community. I hope that you will find them both informative and helpful.

Attached, please find information related to the process by which we will be considering additional building improvements that would be paid for by using funds that are currently in the District's capital reserve. All expenditures from the capital reserve fund require voter approval of a Capital Reserve Proposition.

As always, thank you for your continued participation in the support of our schools. Should you have any further questions, please feel free to reach out to me at vbutera@manhassetsschools.org.

Sincerely,

Vincent Butera, Ed.D.
