

# Manhasset Public Schools

---

Vincent Butera, Ed.D.  
Superintendent of Schools

April 2018

Dear Parents/Guardians of Incoming Kindergarten Students,

We are very excited to be welcoming your child in just a few short months, as they prepare for such an exciting time in their young lives.

This journey is an exciting one, albeit one filled with some uncertainty. Please know that we are here to support, nurture and guide your child through this journey.

Having joined the Manhasset family just recently, I have witnessed firsthand what an outstanding district Manhasset is – notably because of the commitment of so many faculty and staff members to providing each child with a rigorous, challenging curriculum -- while nurturing their social and emotional well-being.

We also recognize that as much as we have to be proud of here in Manhasset, we continue to look for ways to strengthen the experience of our students. We can't do this alone. Please do not hesitate to reach out to your child's teacher, your building Principal, or my office should you have positive comments or wish to share a concern.

It is our desire to make this journey one that you and your child can look upon with fondness. We all look forward to watching your child arrive at school for their first days of kindergarten during the week of September 4, 2018. It will be a very special time for your family and the Manhasset school community.

Sincerely,

Vincent Butera, Ed.D.  
Superintendent of Schools
