**Subject 3. ANNUAL BREAKFAST SURVEY**

Meeting Apr 21, 2020 - BOARD OF EDUCATION REGULAR MEETING, MANHASSET PUBLIC SCHOOLS

Category H. Consent Agenda

Type Action (Consent)

The Annual School Breakfast Program Survey of elementary schools was conducted in March and the results have been tabulated. For the State to grant a waiver for the program, a response rate of at least 33%, with 80% of those children indicating a lack of interest in the breakfast program is necessary for the State to grant a waiver to the District. As the Board is aware, the District received waivers for 1995/96 through 2019/20 school years, based upon a low parental interest in conducting a school breakfast program. The results received this year revealed a 58% response rate at Munsey Park with 91% of those responding indicating a lack of interest. At Shelter Rock the response rate was 35% with 91% of those responding indicating a lack of interest in the program. Based upon the lack of parental interest in a breakfast program, the District should apply for a waiver from the State.

The Board of Education for the Manhasset UFSD authorizes the President of the Board of Education to request an exemption from the State Education Department for the requirement to operate a breakfast program for the 2020/2021 school year.
